Modera

# Modera for every mode.

What mood are you in today? What do you want to do?

Do you want to be out all day and go to the movies with your friends, or watch the TV show you've been looking forward to see in your room?

Do you want to dance all you want while listening to music or to create artwork that reflects your imagination? As you are thinking about doing all these, don't you want to be in a room that can keep up with you and reflect your mood?

# Blue.. for modern and sportive taste

If you want to reflect the dynamism you have in your soul; you can perfect your room with the help of expertly designed, quality textured blue shades...

# Young and Elegant!

Everything has been thought of, down to the smallest detail, so that you can feel as elegant as you wish in your room. The accessories that have the perfect colors to fulfill your dreams are just perfect for you!

How do you like to organize your clothes; by color or category?

Modera wardrobes offer a greater storage space for your clothes with their high volume and functional interior design.

# Where dreams come true.

Everything starts with a little dream. This is where you start dreaming and overcome all the obstacles in life; Your study room...

Modera Desk allows you to easily concentrate with its simple design. Don't forget, you can achieve anything you set your mind to!

# Everything is at your fingertips.

Pen, paper, phone, tablet, charger; anything you need...  
Organize your stuff the way you like with Modera Desk and  
reflect your sense of neatness.

# Unusual design...

This is your room... Modera has modules equipped with functional features to share your every excitement... In this room; If you want, a dresser can turn into your play corner!

# If you want it to be unique!

Although under normal circumstances; you can dance full of energy all day, sometimes you just want to be in a calm and peaceful place. This is the evidence that you are already unique!

# For you to concentrate better.

Get away from anything that distracts you. Modera desk provides an efficient studying environment with its simple and elegant design. Having a place where you can feel comfortable has never been more valuable.

# For bookworms

Are books an indispensable part of your life?

Then we have a bookcase that will take your study room out of the ordinary and make it 'your' room'. With the Modera Library, you can have extra space for your books and organize your room as you wish.

# No 'out of charge' anymore.

Enjoy uninterrupted music, movies and TV shows with the USB port at your bedside!

# Small room, great solution.

The base bed has been specially designed for a cozy and comfortable sleeping place. Of course, while it was being designed, great solutions were thought of so that you can fit all your belongings into your room.

## Studying having fun.

Enjoy studying together! The desk, which offers great solutions for small rooms, makes studying an entertaining activity.

# Just dream.

While it looks like a bunk bed, it's definitely much more than that! Special for siblings who like to daydream together before going to sleep.

Wide lower bed is designed for those who want to eliminate the borders in between.

# Together as one!

Sisters and brothers playing and sleeping  
together in the happiest part of the house...  
Line Bunk Bed is the right choice to feel the  
happiness that increases when shared.

# Everything in one place

The 4 doors-wardrobes, where  
you can store all your items,  
are designed to meet your  
needs.

# Wardrobes, features...

With its ventilation capsules, it allows your clothes to breathe. With its breathable structure, it will keep your clothes clean for much longer.

Isn't that exactly what you wanted, too?

# Soft closing hinges.

We thought of your safety, too!  
We used special hinges..

## For limited spaces.

Save space...

Are the clothes you have chosen suitable for your mood?

Find it out now on the mirrored wardrobe cover!
