

GoYoungs®

KIDS & YOUNGS FURNITURE

2023

Catalogue

Designed in Florida / Made in Istanbul.

Here is the universe of every possibility: Long-lasting, Stronger Than Ever, Child-Friendly... GoYoungs

Founded by Gorhan Company, GoYoungs takes its name from the youthful spirit of excitement and motivation. Children explore the world and shape their personalities based on what they see. That's why GoYoungs opens a new high-level design portal by producing safer and healthier modular furniture such as Wardrobe, Dresser, Nightstand, Desk and Bookcase, to provide babies, children and teenagers the best experience of comfort, and support their development. In line with this purpose, our responsibility is to create the most accurate and comfortable space for the mental and physical development of our children.

THIS IS A SUSTAINABLE FURNITURE CONCEPT

All of GoYoungs furnitures are produced with an extra care, just like a mother's touch. In addition to being environmentally friendly, GoYoungs rooms are created with water-based paints, and raw materials that are non-toxic. In water-based painted products, products that meet EN71-3 standards can be offered to our customers. Thereby, we both preserve environment and support our children's health while they enjoy the easiness of their furniture.

MO

GoYoungs offers durable, fashionable and eco-friendly modular furnitures and items that help kids' daily life. GoYoungs furniture, which does not deform despite repeated installation and removal, has a durable and long-lasting structure thanks to the modular system that we use.

DU

Thus, there are many portable & modular furnitures to create welfare and a large space for our children. By combining the modular parts, our customers can obtain the maximum service with optimum happiness. That means more fun.

LAR

TIMELESS COLLECTION

Timeless Collection, which attracts attention with its modern design, creates a modest look with its special moonstone, soft gray, and solid wood combination. Timeless wardrobes with different versions will make you understand how it feels to fit an entire room into a closet. You can determine the area you want to allocate to your belongings with shelves up to 12 pieces.

Timeless dresser will give you a huge comfort with its door & doorless options. Timeless highboards will offer you more storage opportunities than ever before, with many areas up to 8 compartments thanks to adjustable shelves. Each piece in our Timeless collection, in which we offer you the most contemporary look, is produced with care. The most beautiful form of furniture is breathing right here.

A strong structure is provided thanks to **solid wooden feet**, and eye-catching designs are obtained with **solid wooden handles**.

GRAND COLLECTION

The harmony of oak and moonstone is reflected in the Grand room with its soft lines. With its naive nature and fine touches, you will feel that you are breathing a sigh of relief in your room with round designs that relax your eyes. Its spacious 3-door wardrobes, a small 2-drawer nightstands to help with your small items, and the bed frame lifted by rounded oak legs are all finished in both

CARB P2 & E1 certified MDF and EN71-3 certified water-based lacquered moonstone color for the highest comfort and unlimited styling possibilities. It will be more enjoyable to read books, watch movies, maybe sing karaoke with your favorite music in the peaceful moonstone tones of the Grand room.

All the furnitures
can be customized according to desired color/colors.

NAVIER COLLECTION

Let's meet with Navier rooms: A comfortable sleep place while resting on silky waters. Every child wonders what's going on under the sea. Thereby, this nautical place designed by both CARB P2 & E1 certified MDF and with anchor motifs only for young adventurers. Exceptional deep blue tones and moonstone colors of Navier combined to create a special concept designed for who do not hesitate to travel in the vast oceans.

Environment friendly thanks to the EN71-3 certified water-based paint that we use; Navier bed, dresser, wardrobe and the other side furniture consist of heavy metal-free substances to give you healthy service without no doubt. Any children love the ship wheel design, and Navier makes bedtime feel like a playtime in a healthy environment.
